WHAT THEY'RE SAYING ABOUT OUR CATERING...

I would like to take this opportunity to thank Big Daddy's BBQ for the impressive catering service they provided not only for my rehearsal dinner but also my wedding. They were exactly what we were looking for and we're extremely satisfied with the end result.

We were aware of many other options, and interviewed a few other caterers in Fairbanks, and Harold and Ida the owners of Big Daddy's BBQ, were happy to help make our dream come true. We sincerely appreciate the time they spent before-hand listening to our needs and understanding exactly what we were looking for. Both the personal care and professional way the owner and staff conduct business is beyond excellence.

Big Daddy's BBQ engaging style and creative ideas really set the tone for our wedding. They provided everything we requested and more for our guests. Great care was taken in preparation for our memorable wedding. Come rain, hail, snow, or shine Big Daddy and his crew were there for it all and ready to do whatever it took to see us smile.

Thanks Big Daddy's BBQ!!
